MEMORANDUM FOR: Assistant Director for Personnel

SUBJECT : Management Staff Table of Organization

1. I have reviewed the proposed Table of Organization for the Management Staff and approve the establishment of [redacted] positions at the grades requested, subject to the resolution of the classification problems outlined in your memorandum dated 2 July 1954. 25X9A2

25X9A2

2. I understand that at the present time [redacted] ceiling positions are available to cover the proposed T/O. To bring the T/O and Personnel ceiling into line, I am allocating one additional temporary ceiling position from the Deputy Director (Administration) reserve.

3. You will recall that previously two ceiling positions had temporarily been allocated to the Regulations Control Staff. It is my feeling that the Regulations Control Staff can be reduced from time to time as the Regulations are being brought to a current basis. It is anticipated that the ceiling positions which have been allocated on a temporary basis will be withdrawn concurrent with the reductions.
